- Build character. Gain confidence.*
- Hit targets. Laugh loud.*
- Grow better. Camp out.*
- Work together. Have fun.*

Prepared. For Life.

All elementary school Boys and their Families (including existing scouts) are invited to kick-off the school year right and connect with Pack 110.

It will be a fun-filled night complete with games and activities for the whole family. Find out what we have planned for the year: camping; hiking; cool visitors; a destination sleepover; rockets, pinewood derby cars and much, much more!

Come learn about Cub Scouts and how it can help reinforce important **values** and develop **leadership skills** while having lots of **fun**. Cub Scouts focus on character development on both the community and individual level. We are family-oriented and welcome the entire family to participate in all activities.

KINDERGARTENERS WELCOME!

Pack 110 is proud to be piloting the Lion Program designed for kindergarten boys.

For more information, please contact pack110@cccbsa.com or visit our website, <http://cubpack110.com>
